

# 2018 AEE SOUTHEAST REGIONAL CONFERENCE

## *What's the Story? Adding the Next Chapter*

YMCA Camp Greenville – Cleveland, SC

February 22-24, 2019

### THE CONFERENCE

We are excited to be heading back to Camp Greenville for this year's conference. The experiences that will be offered throughout the weekend are sure to provide opportunities for the **sharing of ideas** and best practices. The Regional Conference seeks to **perpetuate the community** of experiential educators here in the Southeast as well as to increase the knowledge and tools these educators can bring back to their programs. We hope that the interactions and experiences from this weekend can be taken back to everyone's *work place* and *life as a whole*.

### YOUR SUPPORT

*In order to make the conference a success we need your help!* The Association for Experiential Education is a **501(c) (3), tax-exempt organization**. Whether a cash contribution/sponsorship or an in-kind donation of goods and/or services, your marketing effort and dollars **WILL** reach individuals and organizations committed to the development, practice, and evaluation of experiential learning in all settings.

In consideration for sponsorship levels, in-kind goods and services will be counted at one half (1/2) of their retail value.

We strive to provide proper recognition of all of our sponsors and their generous contributions in accordance to their giving amounts. Specific questions can be directed to:
